[Podcast: Interview with Gwilym Simcock and Mike Walker + exclusive peeks of the new Impossible Gentlemen album *Internationally Recognised Aliens*](#)

Gwilym Simcock and **Mike Walker** spoke to us about the forthcoming album *Internationally Recognised Aliens* by **The Impossible Gentlemen**, which will be released this autumn on Basho Records. They have kindly given LondonJazz News, as a UK (and also European, worldwide, and galactic) exclusive, two sneak peeks of the new CD.

They talk us through what has been happening in the band since their first album, about working with **Steve Swallow** and **Steve Rodby**, plus the stories behind the two extracts played here, from *Heute Loiter* and *Crank of Cam Bay*.

Musical Extracts

Heute Loiter - at 05:59

Crank of Cam Bay - at 11:24

The band is at the Brecon Festival in August and then on tour in the UK in October. [Tour Dates](#)
